Notes

Yuuta was walking down the usual street he use to go home when he heard some weird noises. It was dark around the alley without much lights. Yuuta walking slowly to avoid making any sounds, curious to see what is happening. Walking further into the dark alley, Yuuta can see two figures, kissing heatedly under the lamp post. Yuuta was about to leave when he suddenly realised that one of the figures he saw is Megumi, his beloved kouhai. Yuuta saw red.

Megumi was sitting alone in the hospital lobby, sobbing. He got a really bad news early in the morning. His boyfriend, Yuuji was involved in a car accident last night when they parted ways after dinner. The doctor said that Yuuji might be paralysed for the rest of his life due to the terrible accident. Megumi is sad. Yuuji don't deserve this.

"Megumi," a familiar voice greets him. "Ah, Yuuta senpai," Megumi stands up and hugged Yuuta, seeking comfort from his senpai. "Is Yuuji okay now?" Yuuta patted Megumi's back, holding the younger guy tight in his arms. "Doctor said he might be paralysed forever. I-," Megumi can't finish his words because he's starting to cry, hoping that this is just a bad dream and he'll wake up soon from this nightmare. "I'm sorry, Megumi," Yuuta embrace Megumi tightly and trying to comfort his kouhai with his warmth.

'I'm sorry, Megumi,' this one Yuuta said in his heart before a devilish grin popped. Is he? Is he really sorry for whatever he did last night?

Yuuta liked Megumi for so long, so so long. He can't even remember since when he took interest in that kind and pretty soul. Yuuta likes

everything about that boy. Megumi who likes animals so much. Megumi who loves his coffee black. Megumi who always give him big beautiful smile everytime they meet. Megumi who always wearing oversized clothes. Megumi who likes to eat anything with ginger and Yuuta could buy every single ginger in this world for Megumi. Megumi who always borrows a non fiction book from the library everytime he went there. Megumi who sleeps soundly, never snores even though he's too tired. Megumi pouting with his soft plump lips. Megumi's thick curly eyelashes. Megumi, Megumi, Megumi... Megumi never leaves Yuuta's mind. Megumi always treat Yuuta differently, Yuuta knows it. Deep down he *really* hope that Megumi will reciprocate his feelings.

But one day when he heard that Megumi got his first boyfriend, Yuuta's dreams shattered into pieces. He can't believe it. Someone get their dirty hands on his beautiful, beautiful Megumi. Yuuta wants to lash out, getting rid of that said guy but Megumi, his Megumi is smiling genuinely, saying that Yuuta is the first one to know that he's already taken.

' Because you're my favourite senpai! ' Megumi said excitedly when Yuuta asked him why did he tell Yuuta first. Yuuta still remember that painful time. Yuuta plastered a fake smile, squeezing Megumi's red cheeks and said "Congrats!!! I'm happy for you!! Really!!!" with a very very tight tone.

And so it began. Yuuta tried to suppress his jealousy but seeing this guy touching his Megumi everywhere makes Yuuta boiling. He need to get rid of this guy before he did something more to his Megumi.

Yuuta didn't do much. He broke into the guy's apartment at night, slowly pouring some pesticide into the milk in the fridge. That guy ate cereal with milk for breakfast the next day and boom, he's gone. And that is the first time Yuuta saw Megumi crying so bad. Yuuta's heart aches but never mind because he's here. He's the only one that can comfort Megumi. He's the only one that Megumi can relies on to. Yuuta's satisfied.

Few months later, someone trying to hit on Megumi during their hangouts at the bar. The guy with blond hair is a total creep. Yuuta saw how his hands roaming Megumi's thighs and body. His Megumi who is too kind to get mad or pushing away people just sitting there awkwardly. Yuuta knows Megumi is uncomfortable but he can't say anything since the blond guy is one of his group mates in college.

So again, Yuuta takes this matter in his own hands. For every minutes that guy touching Megumi with his dirty hands, Yuuta gave a hard hit with a hammer on the guy's hands, torturing him because he made Yuuta's Megumi uncomfortable.

This happened few times already. Yuuta can't remember how many times he need to teach this fucking pests some lesson for getting on his nerves. Maybe if Yuuta do body counts, it'll be more than 10. Two of it was Megumi's boyfriend, *ex-boyfriend* because they've died. The others are the people who tried to flirt with Megumi, or the people who makes his Megumi sad, or the people who makes his Megumi mad. But in front of Megumi, Yuuta playing his role as a supportive senpai, comforting him, indulged him. Megumi is Yuuta's. No one deserves to get his pretty Megumi. No one deserves to make Megumi sad or mad. Megumi should only be smiling with his pretty adorable smile.

And last night, that fucking pink haired boy. How dare he kiss Megumi so casually, earning erotic moans from Megumi?? Yuuta sees red. That moans should be for him and him only. That guy needs to go as soon as possible. He didn't deserve to live. He didn't deserve that lewd panting Megumi. He didn't deserve to kiss that plump pink lips. He didn't deserve to touch Megumi's body.

So Yuuta, with mind full of rage tampered with the car brake. Yuuta wished that guy would die, but well, maybe paralysed is just enough. He won't get to kiss or touch Megumi again. Yuuta already calculated the probability for him to get rid of that guy fully. Maybe he needs to cut the oxygen supply later after Megumi gets home.

It's worth it because everytime this happens, Megumi would come into his arms and Yuuta will gladly open his arms wider. Megumi never hugs him but only these times he will fall into Yuuta's embrace. Yuuta likes it. Megumi is his once again.

Megumi's sniffing in Yuuta's embrace. His senpai's warmth and scent is calming and soothing. A small smile blooms on Megumi's lips.

Megumi didn't regret it. It is worth it even though Yuuji is lying sick on the hospital bed with injured, paralysed body. He knows Yuuta always use that road to go home and he decided to take Yuuji for dinner at a restaurant nearby. Yuuta did his job so fast, Megumi thinks. And that's what Megumi loves about Yuuta.

Sometimes Megumi is the one who started the flirting or the fights, but the way Yuuta see it is 'Megumi never do anything wrong.' Even though the guys die or was tortured in Yuuta's hands, Megumi never feels bad. He knows that Yuuta will do anything to protect Megumi, to make sure no one gets Megumi because Megumi is **Yuuta's**. He will always be. And Megumi will do anything for Yuuta to indulge him, for Yuuta to give him a warm hugs because Yuuta is **Megumi's**. It will always be.
